

Deb Scheer

Hello, my name is Deb Scheer. I am an administrative assistant for Physician Research Collaboration, LLC (PRC). I do the scheduling of appointments for the volunteers of our clinical research trials.

I have been with Physician Research Collaboration, LLC (PRC) for the past 12 years. I have learned so much about research and how it benefits so many of our patients. We have a great research team. Prior to working at Physician Research Collaboration, LLC I worked for St. Paul Public School for 13 years doing various administrative duties.

When I'm not at work I enjoy being with my family, golfing, being outdoors, reading and watching my grandchildren participating in sporting events. My husband and I have three children, two son-in-laws, one daughter-in-law and nine grandchildren.
