

Janet Greenwald

My name is Janet Greenwald. I am the Regulatory Specialist with the Physician Research Collaboration, LLC (PRC). I am responsible for regulatory submissions and managing documents for all clinical trials to ensure regulatory compliance. I graduated from the University of Nebraska with a BS degree in Agriculture. My work experience over the last 40 years has been in the pharmaceutical industry, academia and research. I have held positions as a quality control scientist, quality auditor, production planner & buyer, research scientist, documentation specialist and financial manager.
